STAFF

- Webmistress: Nadiah, myself. Bachelor of English Studies - Do you know now why this page is bilingue? :-) - and sims2 fan.

- Contributors: Cirdanta, Marien, Nuka, sweetmiri, Jeancr874, Clausims, Alayram, Daniel26.

THANKS

Special thanks to my boyfriend Alejandro (Aragorn is his nick), because he is always there to help me and to support all the projects I dare to face, it does not matter how difficult or almost impossible they are, his help always makes them possible!

Special mention to all people that supported Sky sims since the very beggining, yes, you! You were always there and I hope you will still be there in the future. Thank you very much!
