

Good afternoon!

We have big news for you. Skysims is back after almost 2 years. And we have new Sims 4 downloads:

- New clothing for toddler (female, new section!)
  
- New clothing for children. (fem.)
  
- New clothing for teen, adulta and elder (fem.)
  
- New set of objects (paintings inspired by the famous route 66)

We hope you like it all and help us promote our web also in the social media.
